

Cleaning Guide

Pattern: Whit EPU

Color: Zephyr

Product Number: 09210683

Content: 100% EPU Polyurethane

W General Recommendations

- Clean with water based foam or cleaner
- Do not saturate with liquids
- Do not get the furniture wet

Regular Maintenance

- Clean monthly with a clean, soft, colorfast, damp, soapy cloth or sponge and rinse with clean water

Stain Treatment and Spot Cleaning

A professional cleaning service is recommended

Treat stains quickly

- It will become increasingly difficult to remove the longer a stain is allowed to set
- Pretest any cleaning method or agent in a small hidden inconspicuous area
- Several less concentrated applications are less damaging than one concentrated application

Remove fluids immediately by blotting with a clean, colorfast, absorbent cloth

Flush stain with water and dry with clean cloth

Rinse all cleaning agents thoroughly with water and wipe with a soft cloth

- Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.

Remove solid or semi-solid substances

- Using a flat object, remove as much of the stain as possible
- After removal, vacuum thoroughly using the proper attachments before cleaning with an agent

Abrasive household cleansers and steel wool should be avoided

Bleach Cleanable

To disinfect spray a 4:1 ratio water/bleach mixture on the fabric and allow to linger for the time specified by the Centers for Disease Control and Prevention.

Cleaning Guide

Rinse all cleaning agents thoroughly with water and wipe with a soft cloth

- Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.

Cleaning Guide

The cleaning recommendations above are a guide to help in the maintenance of Momentum Textiles fabrics. They are supplied without warranty, representation or inducement of any kind, including, but not limited to, the implied warranties of merchantability and fitness for particular use or purpose. Momentum Textiles can neither guarantee, nor take responsibility for specific results.

Under no circumstances shall Momentum be liable for any incidental, consequential, or other damage resulting from negligence, misuse, mishandling or exposure of any chemicals used in connection with maintenance. Information relating to chemicals/cleaning solvents, environmental use, and human exposure should be reviewed with appropriate suppliers. Users must read the product specifications and determine appropriateness for specific applications. All label instruction precautions should be followed. All cleaning agents must be rinsed thoroughly with water and wiped with a soft cloth. Residue left by cleaning agents will shorten the life of the product if not removed.
