## 3 Questions With a CSI Employee - Jessie Ball, Operations Manager- LCC

1. What do you do best? **Annoy people!** I know many facets of the E1 System and I am always willing to help out anyone that has questions or needs some assistance.
2. What is your favorite product you've ever sold or made at CSI? **Gym pads or the Olympic Athlete shadow box for Palmyra High School. Go Panthers!**
3. What does the print shop make that few people know about? **Many things!** Banners of all sizes and styles, Outdoor yard signs (think Garage Sale/corrugated plastic type), as well as Custom Magnets, are some of the newer things the shop has started doing in the last year or so.

Shop 28 has been busy making signs for Lake McConaughy!

These new signs were a team effort! Linda wanted to make a special shout out to her team of 13 guys for putting the signs together and assembling the new signs. Next time you visit Lake McConaughy be sure to lookout for these signs!

## FROM THE BACK OFFICE OF WORKFORCE DEVELOPMENT By Brian Koch

The summer college quarter calendar came to an end on, August 12th. The CSI students, at TSCI, embarked on their first ZOOM College instruction experience. For the 2nd quarter in a row, buckled down for another Metropolitan Community College Diversified Manufacturing Class. They came out victorious as they achieved a cumulative GPA of 3.6 and a 92% successful completion rate. We are thrilled with the success of our workforce and are looking forward to the fall quarter.
