

# Some Assembly Required: The CSI Newsletter

May - June 2023

Welcome to the 26th Edition of *Some Assembly Required!*

## Lancaster Historical Signs

Above: Pictures of new signs made at Shop 28 (Sign Shop at NSP) and Shop 23 (Print Shop at RTC). The signs were designed and built in Shop 28, and Shop 23 redesigned and made the logos pop. Awesome job and collaboration on a project for both shops!

## Shops Helping Shops

Above: Pictures of new rails built for the Canteen at TSCI. These rails help the conveyor run smoother. Rails were built in Shop 19 (Metal Shop at NSP).

## 3 Questions With a CSI Employee - Jacob Johnson, Administrative Technician

1. What is your position at CSI and what is something not a lot of people know about your position? *I'm an administrative technician at CSI. I would say that it's a jack of all trades kind of position with payroll, inventory counts, interviewing, and any other request that may come along.*
2. How are your recent classes applying to your everyday job at CSI? *I would say they give a fresh understanding of our business process in the context of dealing with risks, audits, and general accounting practices.*
3. What is your favorite part of your job at CSI? *It would be having a fairly stable routine.*

## Welcome to the Team!

Ron Kothe - Utility Supervisor

Left: Shop 28 (Sign Shop at NSP) has been busy working on new signs! These signs were made with a new process for the shop. Way to go Shop 28 and the workers for learning a new process and producing some great signs!

## Congratulations!

Congratulations to the CSI Plate Production team for receiving the 2023 Innovation Award! The team will be honored at the NDCS 2023 Annual Agency Recognition later this year.

**DATE:** May 16<sup>th</sup>, 2023

Dear Mr. Poppert,

On May 12th, 2023, your staff member, Brandon Beam, was delivering license plates to our South Customer Service Center when a customer managed to get her car high-centered after turning too soon in our drive-thru lane. Unprompted, Mr. Beam assisted the woman with her vehicle, which allowed us to reopen our drive-thru lane and continue processing transactions.

Mr. Beam displayed leadership, kindness, and thoughtfulness, for which we are grateful. He transcended our expectations and exemplifies what successful leadership looks like. The Douglas County Treasurer's office wanted to formally thank Mr. Beam for the kindness he portrayed that day.
