3 Questions With a CSI Employee - David Laschanzy and Joyce Siddall Shop 61 Supervisors

David Laschanzy

1. What is your favorite thing about your job? *I like the positive influence that the shop has on the incarcerated individuals. It's nice to see someone take pride in something they may have never had the opportunity to do before.*
2. What was one of your favorite projects/products your team made? *When I was still the Wood Shop Corporal, Shop 61 built some glass-faced cabinets for the Masons in Lincoln. They were very impressive both in size and beauty. (Pictured below)*
3. What is something you'd like to share about Shop 61 that people would not know about? *Apparently, there is an urban legend about a "mother load" of tokens hidden somewhere in the woodshop. I have not been able to locate them.*
