Net 1 US Gallon (3.8 Liters)

DIRECTIONS

CLEAN N' PREP is a concentrate and must be diluted with water for use. Floors should be mopped prior to wet cleaning.

GENERAL USE

For cleaning walls, wood work etc, use one to two (1-2) ounces per gallon of water.

HAND MOPPING

Use a cleaning bucket, mix one to two (1-2) ounces of CLEAN N' PREP per gallon of cool water.

Apply the solution with a clean mop that has been wrung out.
Change solution prior to soil overload.
Buff or burnish floor after it has dried.

AUTOMATIC SCRUBBER

Mix one to two (1-2) ounces of CLEAN N' PREP per gallon of cool water in clean solution tank.

Use only scrub pads of brushes at the floating weight.
One pass will remove surface soils without damaging the polish.
Buff or burnish floor after it has dried.

DEEP SCRUB PROCEDURE

Mix three to four (3-4) ounces of CLEAN N' PREP concentrate per gallon of water in automatic floor cleaning equipment, or three to four (3-4) ounces per gallon in mop bucket for use with a swing machine.

Use appropriate pad pressure and pads of brushes to remove surface soils without excessive polish removal. Rinse twice, using clean water and clean mops.

Let floor dry completely prior to application of floor polish.

Warning

May cause allergic skin reaction.

Advertencia

Puede provocar una reacción cutánea alérgica.

PRECAUTIONARY STATEMENTS

Prevention: Wear protective gloves. Avoid breathing mist or vapor. Wash hands thoroughly after handling.

Response: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse.

Storage: Store away from incompatible materials. Do not freeze.

Disposal: Dispose of waste and residues in accordance with local authority requirements. Please recycle container.

CONSEJOS DE PRUDENCIA

Prevención: Use guantes de protección. Evite la inhalación de neblina o vapor. Lavarse las manos cuidadosamente después de la manipulación.

Respuesta: EN CASO DE CONTACTO CON LA PIEL: Lavar con jabón y agua abundantes. En caso de irritación cutánea: Consultar a un médico. Lave la ropa contaminada antes de volver a usar.

Almacenamiento: Consérvese alejado de materiales incompatibles. No congele.

Eliminación: Eliminar los desperdicios y residuos de conformidad con la normativa promulgada por las autoridades locales. Recicle el envase.

CLEAN N' PREP is a commercial product, not intended for home use. This product is authorized by the USDA for use in federally inspected meat and poultry plants. CLEAN N' PREP is formulated to effectively deep clean hard floor surfaces of build-up soil during daily cleaning and prior to floor polish recoating. CLEAN N' PREP is a low foaming product, formulated to work effectively in automatic floor cleaning equipment.
