Net 24 oz.

EXTRA TOUGH STAINS

Use for cleaning cement floors and other difficult cleaning jobs. For very badly stained porcelain, wet surface, sprinkle household cleanser freely, work up a foam and let it stand on the stain a minute or two, then rinse. Repeat if needed.

A chlorinated bleaching and cleaning agent which bleaches out stains. Use for cleaning sinks, drainboards, countertops, and all porcelain surfaces, including refrigerators and ceramic wall and floor tiles.

NOTE: Not recommended for use on silver. Use care when cleaning plastic surfaces to avoid scratching.

Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves. Wear eye/face and respiratory protection. Prevent dust accumulation to minimize explosion hazard. Observe good industrial hygiene practices. Do not breathe dust. Obtain special instructions before use. Do not handle until all safety instructions have been read and understood. If exposed or concerned: Get medical attention.

Storage: Store away from incompatible materials. Store locked up.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.

Danger

Harmful if swallowed. Causes severe skin irritation. Causes serious eye damage. May form combustible dust concentration in air. Causes damage to lungs, kidneys, through prolonged or repeated exposure. May cause cancer by prolonged or repeated inhalation.

Response: IF SWALLOWED: Call a poison center/doctor if you feel unwell. Rinse mouth. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a **POISON CENTER** or doctor. **IN CASE OF FIRE:** Use appropriate media to extinguish. **Hazard(s) not otherwise classified (HNOC):** Toxic to aquatic life with long lasting effects. Increased risk of systemic autoimmune disease (scleroderma, rheumatoid arthritis, and systemic lupus erythematosus) through prolonged or repeated inhalation. Increased risk of tuberculosis through prolonged or repeated inhalation. Smoking increases the risk of lung function impairment and chronic obstructive pulmonary disease COPD through prolonged or repeated inhalation.
