

Cornhusker State Industries Laundry Program

Cornhusker State Industries

Cornhusker State Industries strives to be the government provider of choice by combining superior products with superb customer service, and to support public safety by developing positive skills and behaviors with our inmate workers, thereby facilitating their re-entry into society as responsible, marketable individuals.

CSI offers you...

- Our laundry service includes all transportation costs.

CSI offers you...

- Turnaround carts specifically designed to transport both clean and soiled linens are included. All carts and covers are completely sanitized before each use.

CSI offers you...

- JCAHO designed facilities that meet the most demanding requirements for the processing of health care accounts. Negative air pressure from clean to soiled insures there is no cross contamination.

CSI offers you...

- Advanced heat reclamation and water reuse systems allow us to control escalating utility costs insuring very competitive pricing.

CSI offers you...

- OSHA guidelines are strictly enforced in the handling of all soiled linens. Personal protection equipment allows for the safe handling of all health care items.

CSI offers you...

- All items are X-rayed before washing to remove all non-linen items. All items found are secured and packaged for safe return to our customers.

CSI offers you...

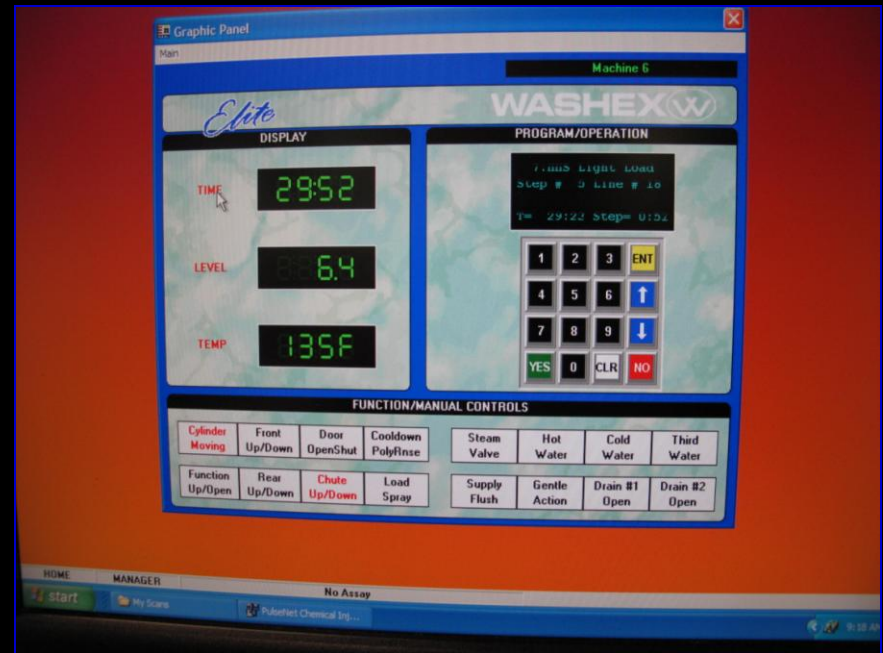

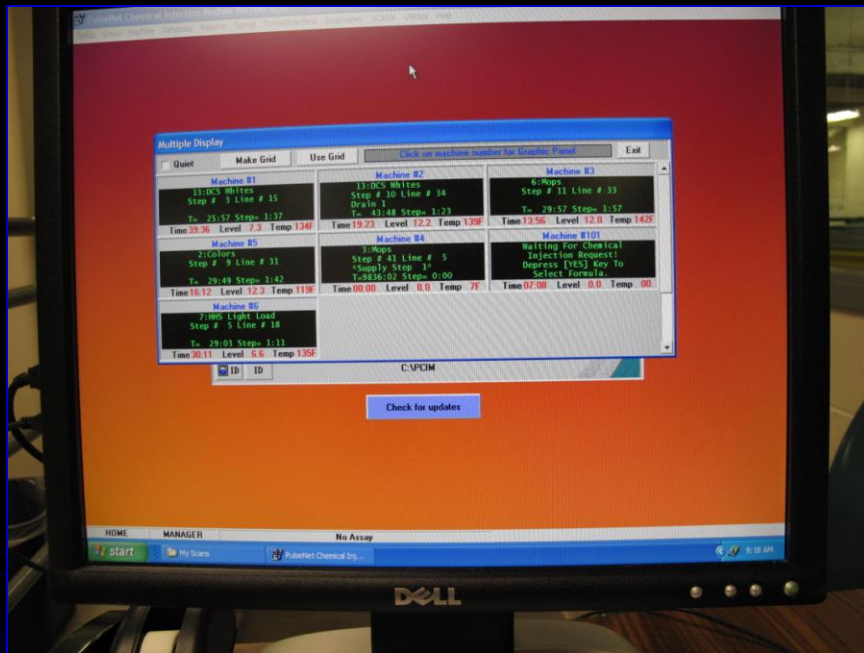

- Large capacity washer extractors that are microprocessor equipped allow for precise control of all wash processes to insure consistent high quality results.

CSI offers you...

- Proof of delivery confirmation on our networked, flow meter equipped chemical delivery system insures that all loads receive the designed amounts of chemistry.

CSI offers you...

- An elaborate software program exclusively designed to control laundry processes provides a professional level of consistency.

CSI offers you...

- Patented axial flow dryers utilizing moisture sensors that are microprocessor controlled provides a safe drying environment for all fabrics.

CSI offers you...

- State of the art ironing systems provide a high quality finish on all sheets, spreads, and pillow cases. The automated folding equipment yields a final product that saves storage space for our customers.

CSI offers you...

- A complete sewing repair area helps our customers get the most life out of their textile purchases.

CSI offers you...

- Individual attention to personal items allows our customers to receive orders that are bundled for each resident.

CSI offers you...

- Clean carts are custom packed to make them unit ready reducing labor requirements for our customers.

CSI offers you...

- Ironing of medical staff apparel provides a professional appearance.

CSI offers you...

The screenshot displays a Microsoft Excel spreadsheet titled 'Shipped 10.xls'. The spreadsheet is divided into two main sections: 'GIVH Apr 2011' and 'GIVH May 2011'. Each section contains a table with columns for 'Ordered', 'Received', 'Shipped', '% of Order Received', '% of Order Shipped', '% of Received', and '% Rejected'. The data is organized into rows for various items, including Clothing Protectors, Bath Towels, Hand Towels, Washcloths, Bed Pads, Blankets, Bed Sheets, Fitted Sheets, Draw Sheets, Top Sheets, Pillows, Pillow Cases, Lap Quilts, Night Gowns, and Pagamas. The spreadsheet also includes summary rows for 'Total Bulk Lbs. Washed', 'Total Personal Lbs. Washed', and 'Totals' for each month. The 'GIVH Apr 2011' section shows a total of 51,284 lbs. washed, with 65 items rejected (0.1%). The 'GIVH May 2011' section shows a total of 51,284 lbs. washed, with 65 items rejected (0.1%).
