* Total length represents the fixture plus the on/off/dimmer pack.
** FC = footcandles @ 18" from work surface. Footcandle plots are available.
† If connecting multiple sizes, contact customer service for interlink recommendations.

SPECIFYING NOTES

- Use the chart at left to determine the acceptable Tuck interlink combinations.
- Cannot interlink with any other fixture family.
- All interlinked fixtures are controlled by the on/off/dimmer pack on the starter fixture.
